

The exclusive 50 mm towing hitch to satisfy all your requirements!

- With the latest release lever technology
- Simple and problem-free hitching and release – even under difficult drawbar eye angles conditions
- Always ready to engage
- Rotatable pin – constant wear
- Future-proof: prepared for the new sensor technology
- Can be upgraded retroactively with the various remote controls and remote displays
- Simplified installation through our new fallback system
- Easier to repair thanks to the improved ROCKINGER component system
- Proved and permitted according latest ECE 55-01

Technical data

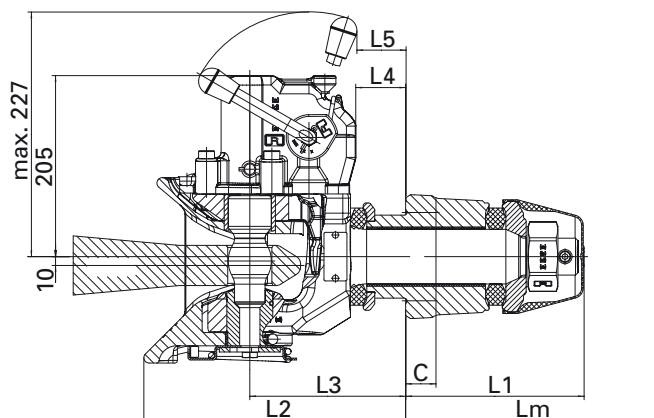

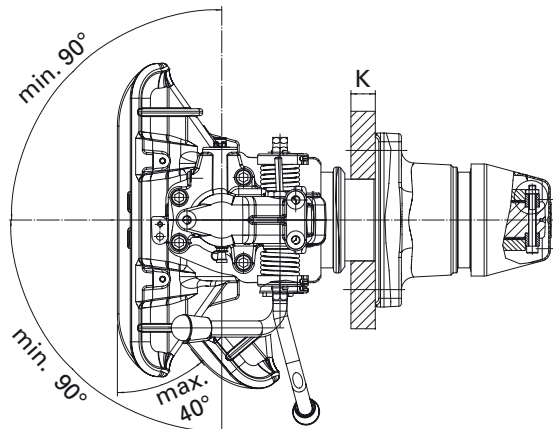

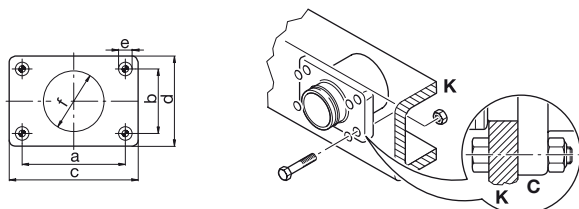

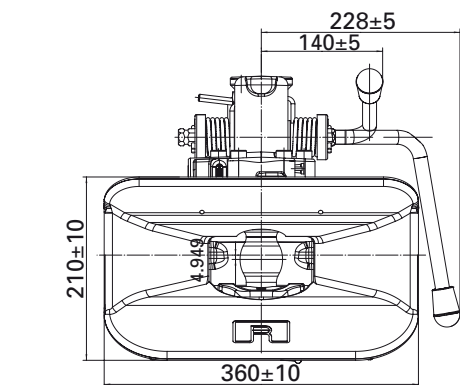

D value	Up to 285 kN
V value	Up to 90 kN
Static load	Up to 2500 kg

RO★50 E

Technical specifications

Fully automatic towing hitch,
Suitable for towing eye 50 DIN 74053,
94/20/CE, ISO 1102, ROE 57005
